

7th SP Sengupta Memorial Lecture, 2016

7th Professor S.P. Sengupta Memorial Lecture was organized by the Chapter in memory of Late Prof. S. P. Sengupta, Former Chairman of MRSI Kolkata Chapter. This year the lecture was organised at CSIR-Central Glass and Ceramic Research Institute, Kolkata on 15th July 2016. The lecture was delivered by Professor Samit K. Ray, Department of Physics and Head, School of Nanoscience and Technology, Indian Institute of Technology, Kharagpur on “Strain and Energy Based Engineering For Silicon Based Heterostructured Devices”. Dr. R. N. Basu, Chairman, MRSI Kolkata Chapter presided over the function and Dr. P. Sujatha Devi, Secretary, MRSI Kolkata Chapter, proposed the vote of thanks. The meeting was graced by the presence of many dignitaries including Dr. K. Muraleedharan, Director, CSIR-CGCRI, Prof. N. R. Bandyopadhyay, past chairman MRSI Kolkata chapter and Vice-chairman MRSI and Prof. G.P. Das Subject group chairman on computational materials science.
